Ms. Grein explained the purpose of the hearing is to receive public comment on proposed amendments to Chapter 624 of the Nevada Administrative Code to comply with legislative changes to the application filing requirements for an increase in monetary limit for a single project. Assembly Bill 32 enacted by the 2011 session of the Nevada Legislature requires that a request for an increase in the monetary limit for a single project must be submitted to the Board at least five (5) working days before the date on which the contractor intends to submit a bid for the project and the request must be approved by the Board before submission of the bid.

Ms. Grein indicated that the notice of the hearing and hearing had been posted in compliance with NRS 233B at the Las Vegas City Hall, the Sawyer State Building, Clark County Library, Washoe County Courthouse, Washoe County Library, Reno City Hall and the offices of the State Contractors Board in Reno and Henderson and on the agency's website.

It was noted that no members of the public were present in either Reno or Henderson to comment on the proposed amendment.

Ms. Grein stated that a workshop hearing on the proposed amendment was held Friday, October 7, 2011 at 9:00 A.M. No one attended the workshop to offer comment on the proposed regulation. A written comment was received from the Builders Association of Northern Nevada.

Ms. Grein stated that the proposed regulation would be placed on the October 20, 2011 Board Meeting agenda for adoption.

The hearing was adjourned at 9:03 A.M.
